An English translation of FI 58211 is not available at this time. It is respectfully submitted that the relevance of this reference can be readily understood by referring to the drawings of the patent provided.

This submission does not represent that a search has been made or that no better art exists. While the term "reference" is used in citing the publication called to the examiner's attention herein, applicants do not make any admission that it is a "prior art" reference within the meaning of the statutory and case law.

Applicant reserves the right to contend, where appropriate, that a reference asserted against any claim of the present application is not prior art under the facts and the law.

Applicant also reserves the right to present appropriate arguments and/or evidence to establish patentability over the reference, should the reference be applied against the claims of the present application.

Applicant respectfully requests that the examiner independently determine those items which the examiner would consider the most pertinent of the reference cited herein.

Applicant respectfully requests that the reference be considered and made of record.

This Information Disclosure Statement is being filed together with the appropriate fee under 37 C.F.R. 1.17(p). In the event that any other fees are required, the Commissioner is hereby authorized to charge any requisite fee to Deposit Account No. 500518.

Respectfully submitted,

By:
